

4 Questions on Happiness: Answered

"Happiness can be found, even in the darkest of times, if one only remembers to turn on the light." (Albus Dumbledore)

When it comes to happiness, everyone has an opinion. Check out what people on the streets of New York City had to say about these four questions:

1. Can anyone be happy?
2. What is happiness to you?
3. Why are some people unhappy?
4. Can you learn to be happy?

What do you think about happiness? Please share your thoughts!
